

CATLIN PEOPLE HAVE RECOMMENDED JAMES FOUCAR:

"James Foucar is responsive, works with pace and always helpful. He expresses an interest in what you do and ensures a solution is found to the issue in question."

- **Nick Sinfield**, *Chief Executive Officer (CEO), Catlin UK, 2013*

"James Foucar is extremely helpful and proactive. Always a pleasure to work with."

- **John Carroll**, *Group Head of Marketing and Communications, Catlin, 2013*

"James Foucar is a great resource, no matter what your position in an organisation. He is very knowledgeable and helpful, but what makes James special is his focused commitment on ensuring that your problem is solved to your satisfaction. It is a pleasure working with James."

- **James Burcke**, *Head of Communications, Catlin, 2013*

"James Foucar is a great colleague who always goes out of his way to ensure he can fulfil a request. Using his initiative and always quick to think on his feet, he is able to provide an extremely high service level in order to meet his clients' requirements."

- **David Masters**, *Environmental Manager, Catlin, 2013*

"James Foucar has a can-do attitude, combined with knowledge and attention to detail, which makes him the 'go to' person for advice and for finding ways around obstacles. He is a personable and effective team member, able to ensure his team delivers the best possible service."

- **Will Curtis**, *Senior Claims Adjuster, Catlin, 2013*

"James Foucar provides excellent support in all areas and is always able to provide an answer, either directly or very quickly by reference to colleagues. He also follows up to make sure that the solution has worked and if there is anything else he can add. All in all a great person to work with."

- **Charles Rowley**, *Manager, Catlin, 2013*

"James Foucar is a dedicated and thorough communicator, who goes above and beyond to provide resolution. I found that, in my own experiences working with James, that he demonstrated these qualities and more, and can only praise him for the effort shown. In addition his relaxed and good natured approach plus his concise responses allowed broader assessment and assisted in developing greater thought to many aspects of the business."

- **Doug Wicks**, *Manager, Catlin, 2013*

"It was a pleasure to work with James Foucar. Always willing to assist, to go the extra mile, a great communicator and very knowledgeable about systems. James always worked seamlessly with my team, helping us to track and keep on top of current issues and providing that vital line of communication with the business customers. I have no doubt James will continue to be a valuable asset to any company he works for."

- **Simon Best**, *Analyst at Catlin, 2013*

"James Foucar is a detail-oriented communicator who is highly knowledgeable in his field. James is always willing to help out and ensure that the business comes first!!!"

- **Dan Samuels, MCP, MCSE, CFOT**, *Infrastructure Support Engineer, Catlin Canada Inc., 2013*

"I found James Foucar to be a very supportive colleague with a great deal of interest in both the process and objectives of communications. He was a very useful sounding board and provided useful and constructive feedback. He was also extremely helpful in his role. James certainly embodied one of the company's key values: teamwork, and I very much appreciated that."

- **Clem Morris**, *Interim Head of Internal Communications and Marketing, Catlin, 2011*

"James Foucar has a keen eye for detail and could ensure content quality for the intranet news items and related home page content updates. His friendly and professional approach meant that I could rely on James to find a solution and keep me updated."

- **Mark Harrison**, *Intranet Manager, Catlin, 2011*

"I was regularly in touch with James Foucar and his team. I found James to be helpful, friendly, professional, and always prompt in dealing with any requests I had for his team. It was a delight working with James."

- **Kathryn Choi**, *Intranet and Website Co-ordinator, Catlin, 2010*

"James Foucar was an extremely dedicated, personable and knowledgeable member of the team who demonstrated real enthusiasm for his work; it was a pleasure to have James in the department during my time at Catlin."

- **Adrian Case**, *Senior Group Manager, Catlin, 2009*

"James Foucar is a confident and personable guy, very 'customer' oriented and always willing (and able) to go the extra mile to get a good result. James approaches his job with enthusiasm and intelligence, and can draw upon his

knowledge and experience to great effect. He has excellent team leadership qualities and can relate well with more senior management. I would have no hesitation in recommending James."

- **Mel Southerden**, *Catlin*, 2008
